

Communique

We are pleased to advise you that a dedicated **Data Services** team has been formed at Strate. It will be fully operational with effect from **01 February 2017**.

The following organogram illustrates the team who will be responsible for all your data requirements. As such, we request that all data-related queries no longer be forwarded to Strate-IssuerServices@strate.co.za, but rather to a new, dedicated email, Strate-DataServices@strate.co.za.

Should you have any queries, please do not hesitate to contact Carol Otto on carolo@strate.co.za or on +27 11 759 5325.
