17025 REGISTER ADMIN LESS THAN 9001	<p>The Register Administration Fee covers each individual electronic book entry movement (both sales and purchases) on the security register that occur in the dematerialised environment.</p> <p>Historically, the administration of an Issuer's security register involved the completion of CM42 transfer forms and the subsequent registration out of the name of the seller and into the name of the buyer in the company's securities register. Due to settlement delays and the on sale of securities bought, this</p>	Issuer	R0.91 per trade	R0.79 per trade

Fee	Description	Charged to	Amount (Incl. VAT)	Amount (Excl. VAT)
	<p>process was often ineffective, inaccurate and costly for Issuers and Investors alike. The dematerialization of securities in South Africa addressed several inefficiencies and risks, including the introduction of an electronic security register which provides Issuers with accurate and up-to-date information about their security holders. This process brings many advantages of efficiency and transparency to the Issuers.</p> <p>The Register Administration Fee is calculated using the number of trades executed on a particular Issuer's securities, as this directly affects the number of electronic book entries that must be made on the uncertificated register.</p>			
17030 REGISTER ADMIN BETWEEN 9001 AND 40000	See previous description.	Issuer	R0.71 per trade	R0.62 per trade
